

# Renest

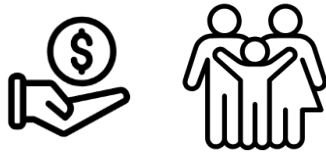

A Financially Secure Retirement for Nevadans

## Why Renest

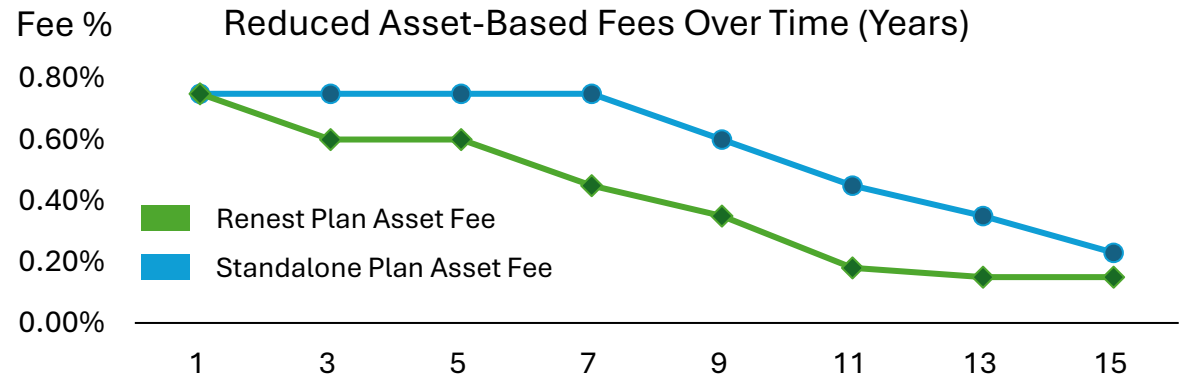

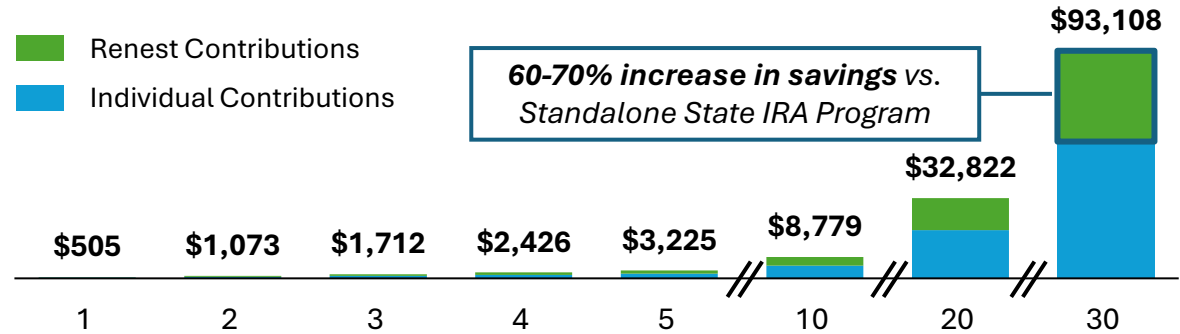

**Generates  
\$45,000 - \$70,000\*  
for Each Saver**

**Saves Nevada Workers  
\$80-90 Million†  
In Plan Fees**

Savings Over Time (Years) w/ Renest \*\*

## The Renest Advantage

- ✓ Guarantees retirement plan coverage and contributions to all Nevada workers
- ✓ Achieves efficient asset management economies of scale
- ✓ Empowers Nevada to achieve its 2025 mandate (SB305) without limitations, complexities and uncertainties of interstate partnerships

**Renest creates \$20+ billion of retirement savings for Nevada workers\***

\* Assuming the individual is part of the NEST | Renest Program for 30-35 years (~70% of average work span) and makes no contributions or withdrawals; investment savings growth based on long-term historical market returns.

\*\* Based on median State Auto IRA contribution seen in other state programs.

† Based on CalSavers asset management fee schedule.
